

# 17 YEARS OF CHRONIC PAIN GONE!

June 29, 2007. My name is Donna Riviello, Old Forge, PA. I am a 50 year old LPN, disabled since 1990 with the chronic pain condition, Reflex Sympathetic Dystrophy (RSD). After 17 years of severe crippling pain, I am 75% cured through the grace of my Lord and Dr. Batmanghelidj's water cure.

Through the years I have had over 50 nerve blocks, intra-spinal epidural catheters, PT, OT, trigger point injections, acupuncture, and have run the gamut with medications. All with minimal relief of pain. I was painfully alive...not living!

For 2 years, I was in bed 20 out of 24 hours daily. Zero energy. I thought of suicide almost daily.

On May 19, 2007, depressed, desperate and riddled with intolerable pain, I went to Cee Kay Auto in Moosic to speak to the owner, Bob Butts.

I followed the instructions for the water cure program. Within 2 weeks my pain had decreased by 75%. Depression is GONE! Plus I lost 18 pounds. My doctor told me to keep doing what I was doing. "I cannot argue with proof," he said.

In 5 weeks I have gone grocery shopping, cooking, cleaning, walking...LIVING! Danced most of the night at a graduation party. My family and friends call me a WALKING MIRACLE.. and I AM! I thank God every day and enjoy each precious minute I have pain free. God has given me a second chance, a new life. It would be an honor to help others—anyone can contact me at:
