

WHY MANAGE PAIN WHEN YOU CAN ELIMINATE MOST OF IT LIKE DONNA DID! DEPRESSION 100% GONE IN ONE DAY! SUICIDAL TENDENCIES GONE IN 2 DAYS!

June 29, 2007- My name is Donna Riviello, Old Forge, PA. I am a 50 year old LPN, disabled since 1990 with the chronic pain condition, Reflex Sympathetic Dystrophy (RSD). After 17 years of severe crippling pain, I am 75% cured through the grace of my Lord and Dr. Batmanghelidj's water cure.

For two years I was in bed 20 out of 24 hours daily. I was painfully alive...not living! Zero energy. I thought of suicide almost daily.

On May 19, 2007, depressed, desperate and riddled with intolerable pain, I went to Cee Kay Auto to pick up water cure information. I did the water cure program and **within 2 weeks my pain had decreased 75%. Depression is GONE! I went to my family doctor on June 19, exactly 4 weeks later! My doctor told me to keep doing what I was doing. "I cannot argue with proof," he said.** In 5 weeks I have gone grocery shopping, cooking, cleaning, walking...LIVING! Danced most of the night at a graduation party. **My family and friends call me a WALKING MIRACLE.. and I AM!** I thank God every day and enjoy each precious minute I have pain free. It would be an honor to help others.

August 25, 2007- Donna Riviello, LPN- RSD Update: I now have much of my life back, no more \$3,000 painful shots that delivered minimal results, I lost 25 pounds and above all, my children have their mom back. Yet the most amazing thing is my 17 years of extreme pain, suffering, and tears has enabled me to experience the joy of helping other people get well too without costing them one cent. **I'd love to speak to your group. Email Bonita45@hotmail.com or call 570-457-5801.** It hurts me to know that countless people are suffering needlessly when the solution is right in our kitchens. I don't want anyone to suffer the way I did. I want to thank God for helping me by helping you. **I wonder why our 2200 billion dollar a year medical system, which failed to help me, has no interest in learning how a no-cost solution did. Even our legislators or newspapers have no interest. WHY???** View my interview on WYOU TV at http://www.watercure2.org/Video/wyou_interactive_riviello.wmv and also hear Jim Rising's amazing story, "Cured of Diabetes!"
